ACCO's 2008 United Way Campaign

ACCO's 2008 United Way campaign, "Giving Knows No Season," was a big success, thanks to our ACCO employees and their generous contributions to the United Way. With ACCO employee contributions alone, we raised \$329,693.00 for the plan year 2008, a 19.7% increase over employee contributions from 2007.

In addition, our United Way fundraisers, which this year included the first-ever "Rock Band" employee competitions in Glendale and Azusa and the LA HomeWalk, raised additional funds of over \$10,000 for the campaign.

A thank you is also extended to our generous sponsors for many of our United Way holiday prize drawings: ABD Insurance, AC Specialties, Advanced Computer Systems, Airgas, Armen's Auto Repair, Bay Area Balancing and Cleanrooms, Bay Plumbing Supply and Showrooms, Blue Dish Café, California Hydronics Corp., Certified Air Balance, Columbia Specialty Company of Northern CA, Dawson Company, Daikin AC, DMG, E & L Electric, Elmco Duddy, Emerson, George Oren Tires, MW Sausse, Norman S. Wright, PCI, Prudential, RF MacDonald Co., Sierra Office Supplies, Specialty Steel Service Co., Tomarco, Toro Aire, Trane and Vertical Systems, and Western State Industrial.

Contributions to the United Way will help those in our communities to meet basic needs, improve educational opportunities, and increase financial stability in 2009 and beyond.
